1280—THE DEVIL'S TOWER,
DEVIL'S TOWER NATIONAL MONUMENT
IN NORTHEASTERN WYOMING

This great uplift of Phonolite Porphyry, unlike anything else in the world, rises 800 feet from its base—1280 feet above the river. First U. S. National Monument—Created in 1906.

"C. T. ART-COLORTONE," SANBORN SOUVENIR CO., DENVER, COLO.
